OPEN CALL FOR YOUTH WORKERS

Too often, youths are spoken for—not with—when it comes to shaping the spaces they live in.

SPACE is an EU-funded initiative reclaiming public space as a site of learning, creativity, and participation, starting with those most often excluded: young people in vulnerable communities.

We are looking for three youth workers or emerging youth workers based in Austria for:

- A three-day international training on youth participation and public space in the Netherlands (Oct. 2025)
- Two days of local training in Vienna
- A three-day placemaking activity together with youths in Mistelbach (Spring 2026)

WHAT WONDERLAND OFFERS:

- Full coverage of the expenses for the international training in the Netherlands
- Being part of an international project with 6 participating countries and having the possibility to network with youth workers from across Europe
- Full support for your placemaking project
- A €300 compensation grant per participant

HOW TO APPLY:

Submit your application by 31 st July 2025.

Please send:

- Your CV
- Two short answers to our questions:
What does a good public space for youth look like?
How can you successfully engage young people in a participation project?

To: projectspace@wonderland.cx
